What's next in Bible Prophecy?

Ministry Update July 2024

Prophecy Revealed

"In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels' messages. There is no other work of so great importance. They are to allow nothing else to absorb their attention." *Testimonies for the Church Vol. 9 p. 19*

An Unprecedented Warning to the World

We are sharing the Three Angels' Message across this planet by paying to send the video Final Days to **3 billion people on Facebook**.

The Final Days video succinctly describes the Antichrist, Babylon, and the Mark of the Beast in a Christ-centered fashion. Dustin Pestlin, with Hope Through Prophecy, seamlessly unfolds the pages of prophecy in an intelligent and irrefutable manner. All the while weaving the Everlasting Gospel in as he makes multiple calls for viewers to unite with Jesus and the truth of the Bible. Superb graphics, music, and videography, along with hundreds of Bible texts and historical references, combine to captivate the audience as they hear end time present truth like they've never heard it before.

As we near the first 100 million Final Days videos going out on Facebook, the flood of responses has been amazing. An endless array of testimonies has come in from people of all nationalities professing that they never "knew these truths", that this has "opened their eyes", and that they "will keep the Sabbath from now on". Here are but a few: "Thank you Holy Spirit for revealing the truth to me. From now on I will worship and keep the Sabbath day Holy." Nancy Chizwili, Zambia. **"This is absolutely factual. Thanks so much for the masterpiece of clarity."** James Kollie, Liberia. "Terrible accuracy and amazingly true. Thank God He is still in control! Thank you for sharing." Maria Sandoval, Missouri.

Ministry Firstfruits

Adam Skinner was converted after watching the video. He received a Final Days DVD at a local fair at Lake Eufaula here in Oklahoma. He went home and watched the video and was confronted with the truth.

The Holy Spirit moved in a mighty way. His greatest desire was to live according to the word of God, and to worship in the right church. This led him to search the Bible earnestly, and later to complete studies with Pastor Adams of the Seminole Seventh-day Adventist Church in Oklahoma.

He was baptized and has become an active member in his local church. He has even traveled to our studio in order to share his personal journey and detail his encounter with the video Final Days.

“I want to come out of Babylon”

A former Sunday pastor man named Rahim received the video from a \$10 boost to India on Facebook. He watched it, called us, and said: *“I want to come out of Babylon”*. He became a worker for Final Days International, and in the past 3 years has had contacts and studies with literally thousands and thousands of people. Here, he is pictured with another former Sunday pastor he worked with that is ready for baptism into the Seventh-day Adventist church.

Sunday Pastors Hungry for Truth

As we sent out the first millions of the Final Days video on Facebook, we had no idea that it would lead to us sharing the Three Angels' Messages with thousands of Sunday pastors. After receiving this video on their Facebook feed we have been inundated with the pastors wanting us to tell them more. As a result, we were initially led to our first Prophecy Revealed seminar in India in April of 2023. Since then, our team has led 13 large-scale evangelistic events with truth hungry sunday pastors.

Large Scale Seminars

At the Prophecy Revealed seminar we invite 100 to 300 Sunday pastors and house them at the campus where the seminar is being conducted. We have 3 days of meetings with 5 meetings per day. We impart the Three Angels' Message with a power packed lineup in the following order: Daniel 2, Daniel 7 with an introduction to the Little Horn, Revelation 13 - the Sea Beast, Revelation 13 - the Land Beast, The Three Angels' messages, The Ten Commandments versus the Ceremonial Law, the Sabbath, then we show the video Final Days. At this point these Sunday pastors are shocked, enlightened, and in a state of conviction. A spiritual battle is literally seen and felt. We continue with sessions on the State of the Dead, Jesus Second Coming, The Millennium, The Second Death, and we close with Heaven and Eternal Life. We have Q&A every evening. **All this at a cost of only \$50 US dollars per Sunday pastor.**

Evangelism Followup

In Malawi Africa, two other Ministries, Gospel Outreach and Philadelphia Ministry, have joined with Final Days International to fan out into the bush and teach scores of churches and thousands of people that came in through the Prophecy Revealed seminars. There are 12 consecrated workers involved in these efforts. Three motorcycles have been purchased to help with transportation, one by Gospel Outreach, and two so far, by Final Days International.

In India and Pakistan, we have conducted follow up with local Union and Conference pastors, and other ministries such as AWR. Whole churches have joined the remnant church and are keeping the Sabbath. The Pakistan Union has conducted digital evangelism training involving Final Days International. We are also working with the North East India Union to send out the Final Days video in 11 languages as we prepare for upcoming seminars.

Over 40 church congregations now keep the Sabbath holy and are learning God's truth for the first time.
