

FINAL DAYS INTERNATIONAL

What's next in Bible Prophecy?

Ministry Update - Second Quarter 2025

A Storm Is Coming

As I stand here in my living room watching it rain, I hear thunder in the distance, yet I can tell the storm is moving closer. Across the nation, right now, there are warnings of severe weather with possible tornadoes in many states. As sons and daughters of God that believe in the prophecies of the Bible, we take it to heart that Jesus told us is in Matthew 24:21, "For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be." Furthermore, we have been warned, that "A storm is coming, relentless in its fury." *Testimonies for the Church, vol. 8 p. 315 par. 3*

Amazing Facts Evangelist, Martin Kim

At Final Days International we take the forecast of this world's history seriously. We believe with all of our heart that we are living in the Final Days! Moreover, we understand and have seen it with our own eyes that the message given to the remnant church to share with the world right before Jesus comes has a tremendous effect upon the souls of men and women. "When the third angel's message is preached as it should be, power attends its proclamation, and it becomes an abiding influence." *Review and Herald, August 19, 1890, par. 3*

"I believe a fire has started that will not go out"

We just finished two "Prophecy Revealed" seminars in Nairobi, Kenya, and Blantyre, Malawi. The results have been tremendous. We praise God for what He has done, what He is doing, and what He will do! In Nairobi alone we had 186 Sunday pastors come to our "Prophecy Revealed" seminar: a 3-day, 15 topic, multimedia feast of end time present truth. Talented speakers made the Bible come alive as they unfolded the prophecies previously unheard of by these men and women. The very fact that 186 Sunday pastors from various denominations were sitting in front of our team hearing the Three Angel's Message is beyond wonderful. And even more praiseworthy is the tsunami of acceptance and interest from these meetings: 167 of these pastors asked for more studies and to have these truths presented at their churches!

In Kenya, Final Days International teamed up with Amazing Facts Africa to do the follow-up. These dedicated men and women give at least 7 Bible studies per day, per Bible worker. There have been Bible studies going on with at least 12 Sunday pastors per day and 50 different Sunday pastors per week, besides having Bible studies with many people from the congregations

represented. Four dear souls were baptized last Sabbath and this coming Sabbath four more will be baptized. Two of those baptized were former Sunday pastors along with people from their congregations. They have joined the Seventh-day Adventist Church in the East Nairobi Field Conference. Pastor Julius, from this conference, said "This is shocking. I have never seen anything like this in my life. I believe a fire has started that will not go out."

The word "Maranatha"

Pastor Egide is one of those that were baptized last Sabbath. I just finished an uplifting phone conversation with him where he told me that he had been raised in the Catholic Church. A decade or so ago he became a Protestant. Interestingly, he said that he had some dreams and visions also about a decade ago where he was convinced that he needed to be a pastor. In one of these dreams, he saw Jesus, and Jesus told him that he was coming again soon.

"Maranatha" means "Come, Lord!"

He was given the word Maranatha but did not know what it meant. Later, he found out that Maranatha means that Jesus is coming again soon. One of the things that really impressed him about the "Prophecy Revealed" seminar was that we were teaching about the imminent return of Jesus Christ and we were sharing the prophecies that lined out the history and upcoming events of this world. He was blown away, transfixed, and totally impressed that he was exactly where he was supposed to be. He said he was in intense prayer during these three days and his mind was opened up. He saw the light for the first time and understood he was not going to stay in darkness. He was coming out of Babylon.

He learned in Daniel 7:25 that the little horn, i.e. the Papacy, thought to "change times and laws". When he learned the truth about the Sabbath he was dumbfounded, and understood that he was not living according to the Bible. Everything began to click in his mind. All of the pieces of the puzzle fell together. He says that he is so very happy that he has found the truth and stated that the truth has set him free. He is also glad to have been baptized into the Seventh-day Adventist Church, to come into a knowledge of the truth, and to be walking in the light of God's word. He feels and believes to the bottom of his soul that God has led him, and that the Holy Spirit has been with him. Now he has a burning passion within his heart to share these truths with others! He said so many people are in darkness and the truth seems to be hidden from them. He wants them to know the stupendous truths that he now does. Presently he is involved in intensive training to become a Final Days Bible worker.

Pastor Hassan & The Sabbath

Another testimony is of Pastor Hassan in Malawi. He stated that he had been a Mormon, but when he encountered the video Final Days it did something to him. He was so touched by the message that he brought 70 Sunday pastors to the "Prophecy Revealed" meeting in Malawi. He was asked what was one of the things that really stood out to him at the seminar. Unflinchingly, he told us that it was the truth of the Sabbath. When asked if he would have trouble flipping

his church to start keeping the Sabbath, he said "no, absolutely not". We asked him why? And he said interestingly, "because I'm their pastor and they trust me". What an oxymoronic idea to think of church members who trust in their pastor as they listen to falsehoods. Here is the complete opposite: Church members trusting their pastor, and, will have the truth unfolded to them from God's word!

Prophecy Revealed in India

Tomorrow, I get on a plane for Northeast India to go to a facility called Pine Brooks, and then to another facility at Hyderabad, India, called Ashirwad Global Learning Center. We will conduct two more "Prophecy Revealed" seminars eagerly anticipating the results we have seen in the past. A number of our workers have individually invited Sunday pastors they know of to come. Rahim, who came into the Seventh-day Adventist Church through watching the Final Days video, is spearheading the conference in Northeast India. A dear sister named Hyma, along with other workers, is spearheading the seminar at Hyderabad. Please pray for the ongoing follow up as we call God's people out of Babylon.

Wesley and Rahim, a first-fruit in India

As we continue to send out the Final Days video to millions of people, another hungry soul received it through the internet. A man named Basil called me from Kisee, Africa. He told me that he had watched the Final Days video and during our conversation he said "we've been lied to, Sunday is not the Sabbath, it is an invention of the Roman Catholic Church". He said "Saturday is the Sabbath". I asked him if he had ever heard of The Seventh-day Adventist Church? He said there was one three kilometers from him. I asked if he would go there tomorrow, which was the Sabbath. The next day he and his wife were in a Seventh-day Adventist Church for the first time, happy to be there.

One more huge blessing to share

On April 23rd, Pastor Pat Milligan and Tom Sullivan, two officers of Final Days International, and I were at the 3ABN broadcast headquarters in Illinois for a taping of the 3ABN Today program. We believe it was a good taping and were thrilled to share how God is working through the ministry. The episode should be aired sometime in June or July. While this made us very happy, what really made us jump up and down was that the very same day we were informed 3ABN had reviewed a pilot program we submitted and they want us to submit 13 more episodes for an ongoing weekly program.

We praise God for how He is opening doors left and right. We will be very busy over the next few months compiling all of the testimonies, working with the video footage we already have, shooting even more footage, and spending hours and hours with the team and guests in the studio. We can't wait to share with you the wondrous things that God is doing.

At Final Days International we have been led by God to spread the present truth using two major Frontline Missionary methods. One, is to send the Three Angel's Messages found in the comprehensive "Final Days" video to the world now! Our goal is to send it to 3.5 billion people on Facebook. The other main push is to hold the 3-day 15 topic "Prophecy Revealed" seminars with thousands and thousands more Sunday pastors around the

world. Additionally, we also want to move into public evangelism in the non-western countries because of the overwhelming response and hunger of these precious Souls.

Jesus said, "Go out into the highways and byways, and compel them to come in, that my house may be filled." (Luke 14:23) Final Days International is boldly reaching the highways and byways, bringing the truth to church leaders and their entire congregations. Moreover, as King Jehoahaz sought the Lord's favor (2nd Kings 13:18-19) by striking his arrows on the ground, we are doing the same, only hitting the ground many, many times, asking God for a full and complete blessing to actively send the Three Angel's Message to the world now. This work needs to expand and be replicated as we diligently work to hasten the return of Jesus!

We sincerely thank each one of you for helping push this work forward through your prayers, financial support, sharing the newsletters, distributing witnessing cards and DVDs, and by funding the cost to send the video Final Days out on Facebook to 3.5 Billion people!

Reaching the Unreached

Join with us, in the mission to hasten the return of Jesus, while the doors are still open! Through social media we can cover the world with the Three Angel's Message as it has never been done before.

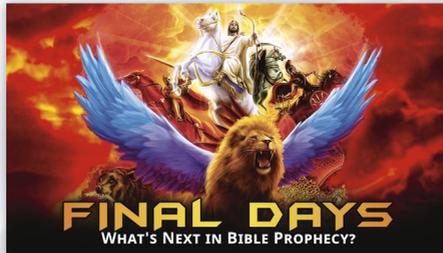

A Facebook 'boost' for \$100 will send 100,000 people the Final Days video in non-western countries. As many as 30% of people who begin watching the video watch it all the way through!

Think about that. From the 100,000 people who receive the video, there would be up to 30,000 people who hear the Three Angel's Message from beginning to end.

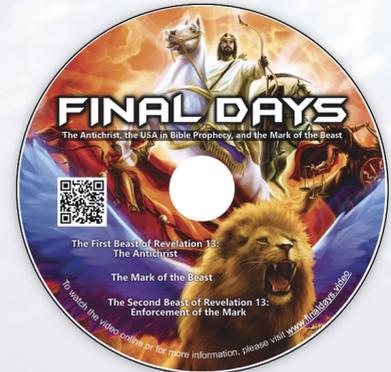

This method of evangelism is tremendously effective!
